

Help Us in Paving the Pathway

Anyone who has walked dogs around HSCI knows how uneven and muddy the path was before we paved the pathway last summer. We still need your help to defray the cost of this special construction project.

We are offering you an opportunity to have your name, your family member's name, a pet's name, or whatever you like engraved on a paver. Pavers are located in a patio area near the entrance of the building.

*** New pavers will be installed in Fall 2017 ***

Get your name permanently placed on a paver at HSCI to show your support for abused and unwanted pets.

ONE FORM PER PAVER SPONSORED

PLEASE PRINT LEGIBLY

Your Name _____
 Address _____
