ASAP Fund Donation ~ Mail In Form

Created in September 2011, the **ASAP Fund** was established to provide emergency or extraordinary medical services for animals sheltered at the Humane Society of Central Illinois (HSCI). The fund helps HSCI to improve the quality of life for animals in need of urgent medical services. The fund is used for: emergency veterinary care, heartworm-positive treatment, x-rays, diagnostic tests (blood work, urinalysis, etc.), eye injuries, bone fractures, fungal infections, severe skin conditions, dental work, special food for orphaned kittens and puppies, prescription food, and much more.

Donations to the Humane Society of Central Illinois contribute to helping us save almost a thousand animals each year! Without your help it would not be possible for us to make this happen. From the HSCI, and the animals you help save, thank you very much.

Your gift, tax deductible to the extent allowed by law, can help the Humane Society of Central Illinois in its efforts to prevent animal abuse and neglect through the programs we offer.
