

Spay / Neuter Clinic Donation ~ Mail In Form

You can have a large impact on the number of dogs and cats which need homes each year. Pet overpopulation is a problem, and **Spay / Neuter Programs** are the solution. Years ago the Humane Society of Central Illinois took a major step forward by opening a spay / neuter clinic!

For instance, one female cat and her offspring can produce 420,000 cats in 7 years. One female dog and her offspring can produce 67,000 dogs in 6 years. This translates into a great need for homes that no community can offer. To help support our effort, your financial help is needed. Please contribute now so we can prevent another litter.

Yes, please help stop overpopulation. I will sponsor...
